Thanks, and I am aware of that effort. Just a little confused as to why OAR IO engaged since AO already has this info. No worries.

Thanks so much Christine. And Karl, Eunjung said the AO is extending invites to all OEMs for the regional CSB events, I guess they were instructed to include everyone for some ethics reasons.

Out of curiosity, what is the OAR IO specifically doing with BYD? They have not been a significant participant in CSB so seems a bit odd out of the blue

Hi – does anyone have a name and contact info for someone at BYD? OAR IO is asking for this for school bus outreach.

Thanks!  
Courtney
